

Shower Faucet 6779-93-80CP

INTRODUCTION:

JUSTIME Design Team created the Pan 2 Series Faucets with concise style, and integrated rectangular and circular lines into the shape design. Though it has just used the most basic geometric elements, the design team also varied the faucets to be special and bring the positive benefit for bathroom.

The brief geometric elements are the core concepts of whole design style, and they could also be proofed in any fashion trends. Moreover, the shape designs could fit for the different styles of bathroom design easily to provide users various choices.
