

Sink Tap

6903-9A-8090

INTRODUCTION:

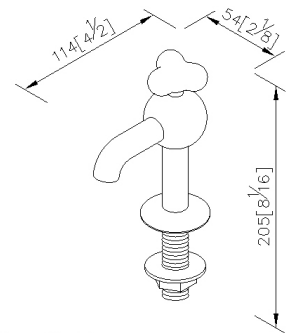

This classic design not only reserves the figure of the primary Sink Tap, but also integrates the contemporary and fashionable element - the round model of the body and the handle with brass and ceramic material, which impress the users so much to take their eyes on it.

JUSTIME sincerely hopes the design will be popular among everyone- reminding adults of the past about the original charm and also allows the kids to experience the beauty of traditional and modern times. The Story Series tells about the history of faucet: from past, through present, and to the future. One day, when people talk about the faucet, the first image comes out their mind, definitely, will be our "Story Faucet."
