

Tip-Touch Basin Faucet 6922-N0-80CP

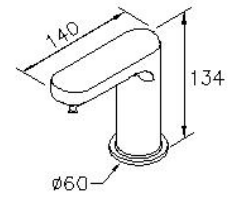

INTRODUCTION:

Oval shape with raised cambered surface is major design of Charming Basin Faucet Collection; it's just like elaborate jewel and brings graceful atmosphere for space. Faucets not only decrease the interstice between lever and body by unique inner structure, but also integrate escutcheon with body in one unity. This creative design makes Charming Faucet exclude unnecessary lines for cleaning conveniently.

DESCRIPTION:

1. Tip-touch aerator has passed 200,000 times on-off life-test. (Saving water, without handle valve and without electrical system.).
2. The aerator is designed in Taiwan, and gain multinational patents.
